Mr. d'Adesky: We have everything we need to file the petition. We are going to file that immediately. I'm waiting for Mark to call and give me comments on the Interlocal Agreement. Every single Osceola County establishment or expansion has to have an Interlocal Agreement. That's the last thing I need.

Mr. Morgan: How soon do you need that?

Mr. d'Adesky: I need that as soon as possible.

Mr. Morgan: I will see him this afternoon, we can remind him.

Mr. d'Adesky: Great, thank you. Anyone can give it to me. We have started to preliminary work regarding the bonds to get the process started.

Mr. Flint: There is a conference call tomorrow to kick that process off.

Mr. Morgan: What time frame are we looking at to get the bonds?

Mr. d'Adesky: I believe it's late April or May.

Mr. Morgan: That's quick.

Mr. Flint: It's because we've already levied master assessments on the whole District, so we don't have to go through another public hearing. A public hearing alone takes at least 30 days. We just need to get an Engineer's Report and methodology prepared.
