## TERMS AND CONDITIONS

1. **Ordering of parts and fabrication of fountains and aeration systems will not begin until deposit has been received by LAKE FOUNTAINS. Delay in receipt of deposit may void agreed upon delivery date.**
2. Equipment sold by LAKE FOUNTAINS, exclusive of electric lamp bulbs, is warranted to be free from defects in materials and workmanship for a period of three years from receipt of equipment by CUSTOMER. Specifically excluded from this 3-year warranty are pumps, motors and light fixtures, which carry a standard 1-year manufacturer's warranty. The liability is limited to the repair or replacement of such items deemed by LAKE FOUNTAINS to be defective and will not include items damaged by misuse, vandalism, acts of God or other causes. Unless equipment was installed by LAKE FOUNTAINS, within Florida, it is understood that purchaser shall deliver such defective items to LAKE FOUNTAINS for repair and bear all shipping costs to and from site. Any repairs, alterations or modifications made by anyone other than an authorized representative of LAKE FOUNTAINS will void the warranty. Warranty work will not be performed or paid for by LAKE FOUNTAINS unless all past due balances are paid in full. No warranty is made or implied regarding the ability of the equipment to control algae, prevent fish kills, control odors or other performance criteria not directly related to proper mechanical function of the equipment. **Improper electrical hookup by customer's electrician will completely void this warranty.**
3. Items not covered under our warranty will be treated and billed as regular service calls. Examples of non-warranty work include cleaning of light lenses, unclogging of nozzles and filters, valve adjustments, resetting tripped breakers and other common maintenance items.
4. CUSTOMER shall be responsible for providing proper electrical power and performing electrical hookups, including mounting of controls, trenching, conduit and final hookup. All electrical work shall meet all applicable governmental requirements. Said power shall be supplied to a designated site agreed upon by LAKE FOUNTAINS and CUSTOMER and generally within 25' of less of lake or pool edge. In all cases, power supplied should be in accordance with Article 680 and other appropriate provisions of the National Electrical Code including the use of ground fault circuit interrupter-type breakers on each submersible equipment circuit above 15 volts between conductors. It shall be CUSTOMER's responsibility to ensure that proposed equipment to be supplied by LAKE FOUNTAINS meets all other governmental standards, including but not limited to; local electrical codes, building codes, etc. Additionally, CUSTOMER shall be responsible for obtaining any necessary permits.
5. Due to possible electrical shock hazards resulting from improper functioning of defective equipment, LAKE FOUNTAINS strongly advises CUSTOMER and other responsible parties to prohibit swimming and wading in pools or bodies of water in which electrical equipment has been installed. Posted notice is advised.
6. LAKE FOUNTAINS does not assume any liability whatsoever for damages, losses or conditions arising from improper use or maintenance of equipment installed by LAKE FOUNTAINS. Furthermore, LAKE FOUNTAINS assumes no liability whatsoever for damages, losses or conditions arising from equipment purchased from LAKE FOUNTAINS and improperly installed, used or maintained by CUSTOMER or others.
7. LAKE FOUNTAINS agrees to hold CUSTOMER harmless from any loss, damage or claims arising out of the sole negligence of LAKE FOUNTAINS. However, LAKE FOUNTAINS shall in no event be liable to CUSTOMER, or others, for indirect, special or consequential damages.
8. Neither party shall be responsible in damages, penalties or otherwise for any failure or delay in the performance of any of its obligations hereunder caused by strikes, riots, war, acts of God, accidents, governmental orders and regulations, curtailment or failure to obtain sufficient material, or other force majeure condition (whether or not of the same class or kind as those set forth above) beyond its reasonable control and which, by the exercise of due diligence, it is unable to overcome.
9. LAKE FOUNTAINS, at its expense, shall maintain the following insurance coverages: a) workers' compensation with statutory limits, b) automobile and watercraft liability, and c) comprehensive general liability, including products liability and completed operations. Customers requesting to be named as additional insured or requesting hold harmless statements may be billed an additional amount to cover the cost of providing such additional coverage.
10. This Agreement is not assignable by CUSTOMER except upon prior written consent by LAKE FOUNTAINS.
11. This Agreement may not be terminated except by mutual written agreement of both parties. Termination will require a charge equal to time and materials expended up to time of cancellation.
12. Quotations are made and orders accepted on a firm price basis provided customer authorizes shipment and delivery within a period of ninety (90) days after execution of Sales Agreement. Orders shipped after ninety (90) days are subject to prices in effect on date of shipment. All shipments are F.O.B. shipping point.
13. Special or custom orders are not returnable for credit. A special or custom order is defined by LAKE FOUNTAINS as any order deviating from, or modified from, standard items, kits or systems. This shall include any component or system custom built to buyer's specifications. All returns are subject to a restocking fee.
14. This Agreement constitutes the entire agreement of the parties hereto and no oral or written alterations or modifications of the terms contained herein shall be valid unless made in writing and accepted by an authorized representative of both LAKE FOUNTAINS and CUSTOMER.
15. LAKE FOUNTAINS reserves the right to impose a service charge of 1.5 percent per month on past due balances.
16. Should it become necessary for LAKE FOUNTAINS to bring action for collection of monies due and owing under this Agreement, CUSTOMER agrees to pay collection costs, including, but not limited to, reasonable attorneys' fees (including those on appeal) and court costs, and all other expenses incurred by LAKE FOUNTAINS resulting from such collection action.
